

To the Grand Officers, the York Rite Community Service Program Committee and York Rite members, we would like to thank you from the bottom of our hearts for the special donation of water that you have donated to our children and faculty. During this time of chaos, we are trying as hard as we can to keep our children safe, and you will never know how much this is going to help with that task. Again, thank you from the children and the faculty of the Friendship Academy, you are greatly appreciated.

Sincerely,

Brianna Reynolds & the Friendship Academy Students & Faculty
